

**Executive Board**

**12<sup>th</sup> Session**

**8-9 June 2010**

**WHO Geneva, Switzerland**

**Resolution n°17**

**Action name:** Single Step Diagnosis of TB and Multi-Drug Resistance at Point-of-Treatment

**Organization (s):** FIND (Foundation for Innovative New Diagnostics)

The Board of UNITAID (the "Board") takes note of the Concept Note relating to the project, *Single Step Diagnosis of TB and Multi-Drug Resistance at Point-of-Treatment* with a budget of US\$105,011,114 submitted by FIND. The Board further acknowledges the IEAG review of this Concept Note and the related recommendation(s).

**Lead recipient:**

FIND

**Amount:**

US\$105,011,114

**Action by the Board:**

In light of the current level of funds available, the Board defers its decision on this Concept Note and requests the Secretariat to inform the proponent accordingly. The Board further authorizes the Secretariat to communicate the IEAG comments to the proponents.

This decision does not imply a funding commitment.

A handwritten signature in black ink, appearing to read "P. Douste-Blazy". The signature is written in a cursive, somewhat stylized font.

Philippe Douste-Blazy
