

## Resolution n° 23-2017-e

### Costed Extension of the HIV/HCV Drug Affordability project

Recalling Unitaid Executive Board Resolution EB19/SSP/2014/R3 of 5 May 2014, in which the Board approved the commitment of up to US\$ 5,230,000 for the project entitled "HIV/HCV Drug Affordability Project" (the "Project"), to be implemented by Coalition Internationale Sida for a two-year period.

Noting that the Project has since been extended by a further six months by the Unitaid Secretariat until December 2017, with no additional cost; and

Having taken note of the Secretariat's update to the Board with regard to this Project, the Board authorizes, subject to the availability of funds, the Executive Director to commit an additional amount of up to US\$ 1,154,932, for a twelve month extension of the Project, subject to the signature of an amendment to the legal agreement between Coalition Internationale Sida and Unitaid.

**Lead Organisation:** Coalition Internationale Sida

**Extension Period:** 1 January – 31 December 2018 (twelve months)

Celso Amorim  
Chair of the UNITAID Executive Board
