Resolution n° 3

Tuberculosis Area for Intervention: Enabling preventive Tuberculosis treatment in high-risk groups

Having considered the analysis presented by the Secretariat during the 24th Special session of the UNITAID Executive Board, the Executive Board supports the need for UNITAID to focus strategically on "Enabling preventive Tuberculosis treatment in high-risk groups" with a view to securing a substantial impact in preventing Tuberculosis, thereby contributing to global goals to eliminate Tuberculosis.

The Executive Board requests the Secretariat to launch appropriate calls for proposal within this Area for Intervention and to present progress on implementation to the Policy and Strategy Committee.

The Board's endorsement of this Area for Intervention has no budgetary implications.
