Resolution n°2

Review of key performance indicators

Recalling Resolution UNITAID/EB26/2016/R2 adopting the Strategy 2017-2021: Key Performance Indicators (KPIs) in December 2016, and noting the need to adjust to take into account changes in the implementation of the Strategy, the Board approves the revised set of KPIs as presented in UNITAID/EB33/2019/5/Annex.

The revised KPIs shall be used for the assessment of performance for 2019 and are valid until the end of the Strategy 2017-2021.

The Secretariat is requested to report annually on these KPIs to the Executive Board.
