

RESOLUTION N°9

UNITAID Board Meeting

November 29-30, 2006

Action name: Tuberculosis – Pediatric TB

Partner organizations: Global Drug Facility/Stop TB Partnership

The board of UNITAID authorized an allocation of USD 864,000 for the tuberculosis pediatric TB Program submitted by GDF/Stop TB Partnership to be implemented in 2006.

The Board of UNITAID authorizes the Executive Secretary to provide an additional allocation of USD 4,801,000 which added to the initial amount totals a budget of USD 5,665,000. Such total budgeted allocation will be subject to the following conditions:

Lead recipient:

The Global Drug Facility (“GDF”)

Purpose:

Provide appropriate-strength pediatric drugs for children under 15 and ensure development of new child-friendly formulations for infants under 4.

Amount:

2006: USD 864,000

2007: USD 4,801,000

Expected date of disbursement:

First instalment: USD 864,000 upon signing of letter of agreement on December 1, 2006

Second instalment: USD 4,801,000 on February 15, 2007

Conditions of disbursement:

- Letter of Agreement between UNITAID and Stop TB Partnership Grant
- Agreements between GDF and beneficiaries

- Contracts between GDF and procurement agents
