

Resolution n°16-2019-e
Radical Cure Vivax Malaria (RADICAL) project
with Malaria Consortium

With reference to the Area for Intervention '**Better tools for the diagnosis and treatment of Plasmodium vivax malaria**', as approved by the Executive Board in Resolution EB30/2018/R4;

Following a review of the proposal, the Executive Board has decided not to authorise the Secretariat to proceed with the development of a draft grant agreement package for the Radical Cure Vivax Malaria (RADICAL) project with Malaria Consortium.

This decision has no budgetary implications.
