

## Resolution n°14-2023-e

### Cost Extension for the Project “Broad One Health Endectocide-based Malaria Intervention in Africa” (BOHEMIA)

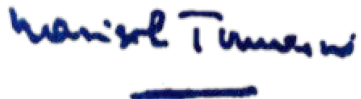

Recalling Unitaid Executive Board Resolution R4-2019-e of 6 February 2019, through which the Board authorized, subject to the availability of funds, the Executive Director to commit up to USD 25,316,950 for the project “Broad One Health Endectocide-based Malaria Intervention in Africa” (BOHEMIA) (“the Project”) to be implemented by the Barcelona Institute for Global Health (“ISGlobal”);

Noting that in 2022, the Secretariat approved a twelve-month no-cost extension of the Project, to 31 January 2024; and

Taking into account the assessment by the PRC, together with the Secretariat’s recommendation, the Board authorizes the Executive Director, subject to the availability of funds, to commit additional funding of up to USD 1,638,056 and to extend the duration of funding for the Project by a further five months, to 30 June 2024.

The additional funding and extension to the Project duration are conditional upon signature of an amendment to the legal agreement between Unitaid and ISGlobal.
