

## Resolution n°15-2019-e

### **Go-ahead for the development of grant agreement package on *Better tools for the diagnosis and treatment of Plasmodium vivax malaria* for proposed project with MMV**

With reference to the Area for Intervention: **Better tools for the diagnosis and treatment of Plasmodium vivax malaria**, as approved by the Executive Board in Resolution EB30/2018/R4; and

Taking into account the project proposal assessments by the Joint Review Committee, the Executive Board authorizes the Secretariat to *go-ahead* with the development into draft grant agreement package for subsequent submission to and approval by the Board, of the following proposed project:

1. The VivAction Plan: (MMV)

The Board recalls that, in accordance with Resolution EB22/2015/R3, the Secretariat may now use the Project Preparation Facility to support the effective development of the grant agreement package for this proposal. This decision has no other funding implications.
