

Resolution n°15-2025-e

Unitaid Support to PAHO for Activities related to the Cervical Cancer Portfolio

Recalling Board Resolution EB27/2017/R5 of 23 November 2018, through which the Board supported the need for Unitaid to focus strategically on “Optimizing management of coinfections and comorbidities in people living with HIV” (the “AFI”) and requested the Secretariat to launch appropriate calls for proposals within the AFI, including in relation to cervical cancer elimination;

Acknowledging the role of the Pan American Health Organization (“PAHO”) in relation to the elimination of cervical cancer in Latin America and the Caribbean;

Acknowledging PAHO’s request for funding support from Unitaid for the implementation the proposed project “Accelerate the equitable introduction, scale-up, and sustainable adoption of Human Papillomavirus (HPV) screening across Latin America and the Caribbean to drive long-term accessibility and cervical cancer prevention” (the “Project”); and

Noting the recommendations of the Secretariat and the Proposal Review Committee, the Executive Board authorizes the Executive Director to commit up to USD 2,100,000 for the Project, subject to availability of funds.

Funding is conditional upon signature of a legal agreement between Unitaid and PAHO.
