

Resolution n° 17-2018-e

Additional Contribution from the United Kingdom

Noting the United Kingdom's offer of an additional £27 million in funding to support Unitaid's efforts in malaria control and;

Acknowledging the revised guiding principles and criteria for additional contributions presented at the 20th meeting of the Policy and Strategy Committee (UNITAID/PSC20/2018/4/REV1);

The Executive Board is satisfied that the United Kingdom's proposed additional funding is aligned with the guiding principles and meets the criteria therein.

Accordingly, the Executive Board welcomes the United Kingdom's offer of additional funding and instructs the Secretariat to undertake any necessary administrative arrangements to accept it.

Marta Maurás
Chair of the Unitaid Executive Board

Date: 19 November 2018
