

Resolution n°19-2020-e

Extension and amendment of MMV Supply Grant to include an output on IPTi

Recalling Unitaid Executive Board Resolution n° 4-2017-e, in which the Executive Board approved the commitment of up to US\$ 3,361,023 for implementation of the project: “MMV Supply Grant” (the “Project”) to be implemented by the Medicines for Malaria Venture (“MMV”) for a four-year period ending 31 December 2020;

Noting the proposed inclusion of a new project output to ‘Improve global supply of quality assured SP for intermittent preventive treatment for infants (IPTi)’; and taking into account the outcome of the review of this proposal by Proposal Review Committee, together with the recommendations of the Secretariat;

The Board authorizes the Executive Director to amend the Project to include proposed new output, extend the duration of funding by 24 months and commit additional funding of up to US\$ 1,419,314 for the Project.

The additional funding and extension to the Project duration is subject to availability of funds and conditional upon signature of formal amendment to the grant agreement for the Project.
