

Resolution n° 3-2019-e

“Advancing Spatial Repellents for Vector-borne Disease Control” Project

Recalling Unitaid Executive Board Resolution n°1-2018 of 24 January 2018, in which the Board provided its go-ahead for the development by the Unitaid Secretariat of a full grant agreement package for the proposed Project *Advancing spatial repellents for vector-borne disease control* (“the Project”)

The Executive Board now authorizes the Secretariat to commit up to USD 33,724,865 for the Project, subject to availability of funds.

Funding is conditional upon signature of the grant agreement between Unitaid and the University of Notre Dame.

Lead Organization: University of Notre Dame

Project Duration: 5 years

Marta Maurás
Chair of the Unitaid Executive Board

Date: 06/02/2019
