

Resolution n°6-2024-e

Go-ahead for the development of grant agreement packages on Mitigating Antimalarial Drug Resistance for proposed project with Jhpiego Corporation

With reference to the Area for Intervention: *Mitigating Antimalarial Drug Resistance* as approved by the Executive Board in Resolution UNITAID/EB41/2022/R1; and

Taking into account the project proposal assessments by the Joint Review Committee, the Executive Board authorizes the Secretariat to *go-ahead* with the development into a draft grant agreement package for subsequent submission to and approval by the Board, of the following proposed project:

1. STOP-AMDR – Scaling the Optimal Use of Multiple ACTs to Prevent Antimalarials Drug Resistance (Jhpiego Corporation);

The Board recalls that, in accordance with Resolution EB22/2015/R3, the Secretariat may now use the Project Preparation Facility to support the effective development of the grant agreement packages for these proposals. This decision has no other funding implications.
