Resolution n°10

The Resource Mobilization Task Force - Budget 2011

The Resource Mobilization Task Force is being reestablished in accordance with the recommendation from the FAC. The Task Force will support the development and implementation of a new UNITAID Resource Mobilization Strategy. An amount of US\$90,000 is being made available to the Task Force in 2011. The Chair of the Executive Board will chair the Task Force and will report regularly on the activities of the Task Force.

This budget is included within the Result Area of Secretariat.
